INVITATION

Dear Industry Colleagues:

On behalf of the American Association of Clinical Urologists, we would like to invite your company to become an AACU Corporate Member for 2024. As an AACU Corporate Member, you will directly engage the nation's top authorities, opinion leaders, decision-makers and advocates related to the practice of urology. Your membership gives you priority access to AACU Leadership and the opportunity to interact with AACU Membership on various levels.

The AACU Leadership has made it a priority to advocate for access to care for patients as well as practicing urologists. This can take many forms from meeting with legislators, providing comments to regulators and working directly with payers. AACU ensures that its members' interests are met through positions on the American Board of Urology and American College of Surgeons as well as delegates to the AMA and representatives on the RUC and CPT Advisory Councils. As the sole sponsor of UROPAC, Urology's Advocate on Capitol Hill, AACU continues the work of electing and maintaining a Congress that is friendly to medicine and supports urologists' objectives for the best interests of patients.

As an AACU Corporate Member, you and your company are an important part of our society's success. If you would like to partner with the AACU in advocating for the best in urologic care, please review the enclosed prospectus materials carefully and submit the provided registration form and payment to the American Association of Clinical Urologists as early as possible.

Thank you for your consideration of our request for partnership; we look forward to receiving your commitment. If you have any questions, please contact Tyler Gillespie, tgillespie@veritasamc.com.

Sincerely,

Tyler Gillespie
